Commitment Pledge by Parents/Guardians:**Attendance**

- We believe that our child's attendance and timeliness are vitally important to his/her success in school and camp.

We will make sure that our child has a safe and reliable means of transportation to and from camp each day. We are fully committed to a 6 week schedule and support the idea that our child will be in camp during July and August.

- We will not plan for family vacations or other extended absences to occur during the program in July and August.
- We will make certain that our child attends camp every day, except in cases of illness or another legitimate reason.
- We will telephone the camp administrator **prior to 8:30 a.m.** on the day of any absence to report the child is out.
- We will not schedule routine doctor and dentist appointments during the camp hours. We will try to schedule appointments on days or at times when camp is not in session; or if such an appointment becomes absolutely necessary during camp hours, we will return the child to camp after the appointment.
- We will see to it that our child arrives on time each morning, and fully understand that lateness will result in loss of educational time.
- We understand that 2 or more absences will hinder progress in the program.
- We understand that regular homework completion is one of the keys to academic success.
- We understand that it is our responsibility to see that homework is completed. We will check our child's homework each night it is assigned to ensure that it is complete, accurate and neat.
- We will provide a quiet, undisturbed time and space for the work to be completed.
- We have read, understand and support the Mobile Minds of NJ Code of Conduct including all its rules, rewards and disciplinary consequences.
- We understand there are **no refunds** for this program.
- We understand that we are not required to sign this contract as a term of our child's admission to the S.E.A.L. SEAL Academy will be implementing several strict COVID 19 policies and procedures to keep campers and camp staff safe. Hopefully, we will reduce these restrictions in weeks coming, based on state licensing rule updates. An updated parent handbook on policies and procedures will include details, such as:

- Parents will not be allowed to enter the building for student drop off or pick up. Parents will drop-off campers from the double doors in the side parking lot and sign the children in at the door.
- Daily health screening will be done for each camper at the entrance door. This will include some simple health questions, temperature reading, and observation. We will also temperature check the parent signing in each child.
 - Parents must provide face coverings/masks for their child to wear during the day.
 - We will be providing one clear face shield for all campers and staff to wear outside. It must be left at camp in their cubby. If a camper loses their Clear Face Shield, they will have to bring/use their own face covering or purchase another shield from the camp staff for \$5.
- Campers who pass the health screening will go to a hand sanitizer station before entering the building. We are asking families not to send any child that has shown any symptoms within 14 days of camp check in.
 - Campers and/or staff with symptoms will be isolated to prevent any potential spread.
- Each camper will be escorted with social distancing to their classroom and assigned their personal space. Individual personal spaces and small classroom sizes will help ensure social distancing rules and reduce student mingling.
- Each camper will have all materials and supplies needed at their assigned personal space for the camp day. They will also be provided a cubby for their lunch and personal items.
 - We are lowering our group capacities to 10 campers each to support social distancing.
- Students and staff will stay in this room the entire camp day, except for outside exercise and bathroom breaks.
- Bathrooms will be sanitized after each visit. We will be sanitizing all shared equipment between uses with CDC-recommended cleaning supplies.
- Lunch must be provided by the parents daily in a thermal lunch bag or container that maintains freshness.
- Each personal space and room will be sanitized each night.
- The common areas will be sanitized throughout the day based on student traffic.

- Campers will be brought out to parents via the double doors when they arrive for pick up and be signed out.
- Contacts camp Director for all camp payments however changes can be completed over the phone, via email, online on the parent portal or with envelopes available at the check-in station near.

Cancellations

Our traditional cancellation policy is in effect (please see Registration Terms). If summer camp must be postponed or closed due to COVID-19, we will provide a full refund for the future weeks missed, hold a credit toward future programs/weeks or give the option to convert payments to a tax-deductible donation toward camp.

In the case of accident or illness (that prevents child from participating in camp programs), sessions/weeks can be transferred to a later session upon director approval. Verification in writing from your child's physician is required stating that the child cannot attend camp. Please contact our office immediately if your child is unable to attend camp for any reason.

The camp director reserves the right to decline the application of any child, or send home any child who, according to the Director's discretion, puts themselves or others at risk. If a child is dismissed from camp, there will **be no refund issued.**

Deposits are totally non-refundable and non-transferable for any reason.

Daily Health Screening

Each morning all campers and staff will have their temperature checked and will answer the following questions:

- Do you or any of the children you are dropping off have a fever (100.4+), cough, shortness of breath, or difficulty breathing, chills, new loss of taste or smell (vomiting, diarrhea-children only)?
- Have you or any of the children you are dropping off had any symptoms in the last 10 days?
- Been in contact with anyone with those symptoms?
- Potentially been exposed to COVID-19 or have reason to believe you/they potentially have COVID-19?

Campers must have parent present during health screen

These policies are subject to change per company discretion and state laws requirements.
